

SORTING OUT INDIAN FAMILIES EVERY DAY

HOME APPLIANCES & HEATERS

CONVENIENCE

COMES HOME

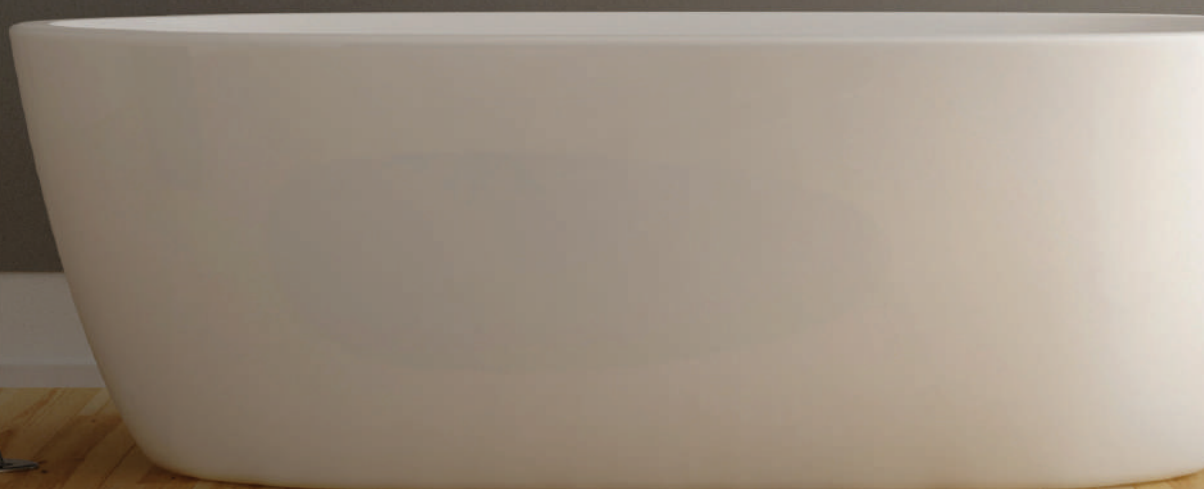

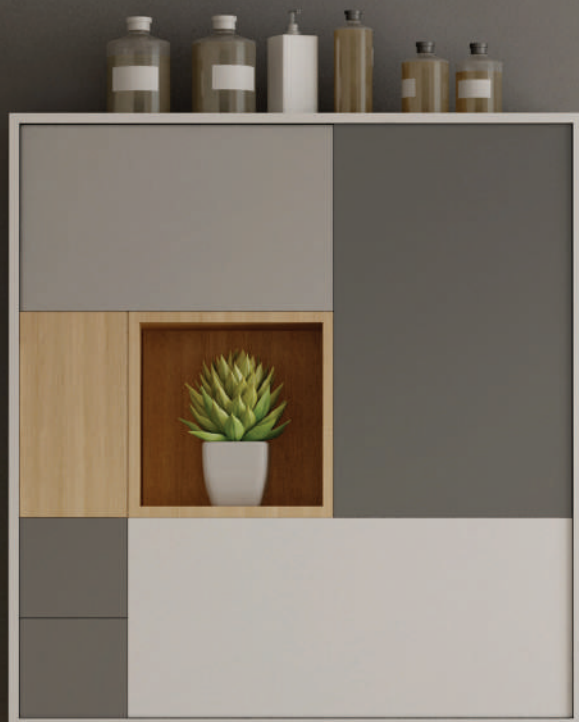

Every home is different. So is the needs and lifestyle of families within its walls. At Polar, we understand that each household runs on its own unique rhythm. This is why Polar Home Appliances, with its wide functional range, has been bringing convenience and efficiency to every Indian home through sustainable and reliable products.

The constant quest for efficient and easy technological solutions has helped Polar rise to national repute. Staying true to our promise of simplifying life in every household, we make home a place of everlasting delight by minimizing its chores. We make it a place where you can just take it easy. Polar products, ranging from water heaters, room heaters, and immersion rods to irons & kitchen appliances, are designed keeping ease, speed, and efficiency in mind.

No wonder Polar has been the most preferred brand for Indian homemakers. Helping everyone fulfil their daily routines easily, with us - life is sorted.

STORAGE

WATER HEATER

Gush+

Digital Storage Water Heater (Available in 6, 10, 15 & 25 litres)

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Digital temperature display
- Whirlflow technology
- High-density PUF insulation
- Pentashield safety with MFV
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

**Terms & conditions apply.

Gush

Storage Water Heater (Available in 6, 10, 15 & 25 litres)

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Whirlflow technology
- High-density PUF insulation
- Temperature control knob
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

**Terms & conditions apply.

Freshet

Storage Water Heater (Available in 6, 10, 15 & 25 litres)

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Analog temperature display
- Whirlflow technology
- High-density PUF insulation
- Shockproof and corrosion-proof ABS body
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

Legacy+

Storage Water Heater (Available in 6, 10, 15 & 25 litres)

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Whirlflow technology
- High-density PUF insulation
- Temperature control knob
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star for horizontal type 15 & 25 litres)
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product
- 15 & 25 litres available in horizontal and vertical variants

Zodiac

Storage Water Heater (Available in 10, 15 & 25 litres)

- Heavy gauge stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod, protects tank from rust and corrosion
- High-density PUF insulation
- Shockproof and corrosion-proof ABS body
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 5-years warranty on inner tank, 2-years on product

Aquahot

Storage Water Heater (Available in 6, 10, 15, 25, 35 & 50 litres)

- Heavy gauge stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod
- High-density PUF insulation
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star rated for 35 & 50 litres)
- Rated power 2000 W
- 5-years warranty on inner tank, 2-years on product

**INSTANT
WATER HEATER**

Refresha Pro

Instant Water Heater

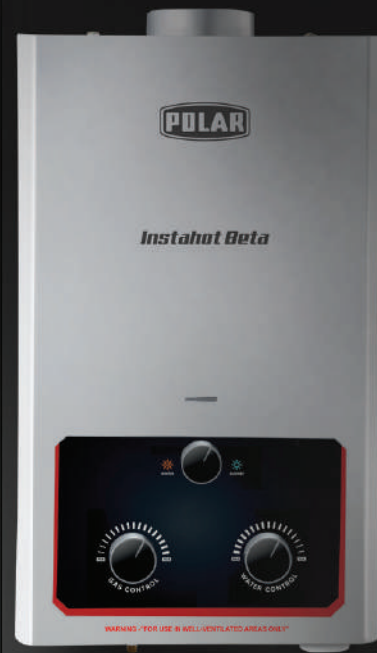

Available in 3 litres

- Ultra thick superior 304 grade SS tank
- ISI approved element & thermostat
- Pentashield safety
- Neon indicator
- Energy-efficient
- High-grade copper pipe with nickel coated heating element
- Pressure release valve & anti-siphon hole
- Rated power 3000 W
- ISI approved
- ISI approved moulded 3-pin plug & cord
- 5-years warranty

GAS

WATER HEATER

Instahot – 6L

Gas Water Heater

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- Capacity up to 6 ltrs
- 2-years warranty

Instahot Pro

Gas Water Heater

- Automatic ignition
- 20 minute inbuilt timer
- Flame failure protection
- Protection against dry burn
- Dry heat protection
- Double thermal overheating protection
- Double solenoid gas valve
- PRV (Pressure release valve) – upto 8 bar pressure
- ISI assurance of quality
- Capacity up to 5.5 ltrs
- 2-years warranty

Instahot

Gas Water Heater

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- Available in 1.2 kg/1.4 kg PNG & LPG variant
- ISI approved
- 2-years warranty

Instahot Alpha

Gas Water Heater

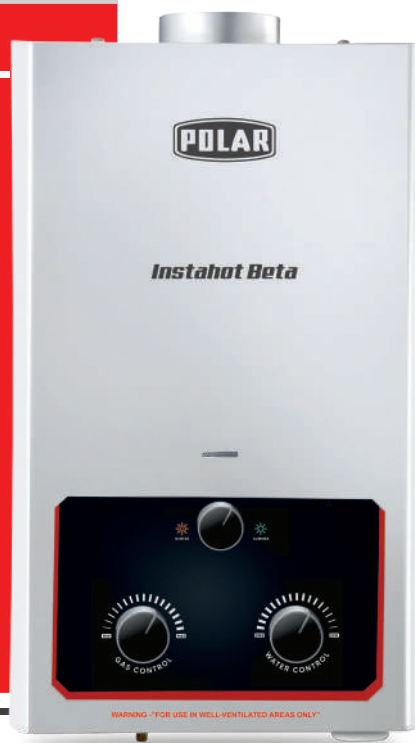

- Advanced combustion technology for best thermal efficiency
- Burner setting facility to save energy
- Heat exchanger made of extra thick copper
- Auto ignition
- Adjustable knob for regulating water and gas intensity
- Oxygen depletion sensor
- 20 minute timer
- Inlet water flow sensor
- Suitable for minimum water pressure of 0.1 Bar / 3 Feet
- Suitable for a maximum water pressure head of 7.5 bar / 270 feet
- Capacity up to 5.5 ltrs
- 2-years warranty

Instahot Beta

Gas Water Heater

- Advanced combustion technology for best thermal efficiency
- Burner setting facility to save energy
- Heat exchanger made of extra thick copper
- Auto ignition
- Adjustable knob for regulating water and gas intensity
- Oxygen depletion sensor
- 20 minute timer
- Inlet water flow sensor
- Suitable for minimum water pressure of 0.1 Bar / 3 Feet
- Suitable for a maximum water pressure head of 7.5 bar / 270 feet
- Capacity up to 6 ltrs
- 2-years warranty

Instahot Gamma

Gas Water Heater

- Stylish & contemporary design with toughened printed glass on top
- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- Capacity up to 6 ltrs
- 2-years warranty

IMMERSION

WATER HEATER

- Heavy duty copper tube filled with magnesium oxide for durability
- Corrosion-proof
- Available in two models - Neon indicator lamp model and shockproof - waterproof model
- Rated power 1000 W / 1500 W / 2000 W
- ISI approved
- ISI approved 3-core supply cord with moulded 3 pin plug
- 2-years warranty

MIXER GRINDER

- 3-speed control with incher
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Food grade, shockproof ABS body with anti dust coating
- Stainless steel jars*, PC dome with buckle clips for secured locks & handsfree operation
- Rated power 750 W
- Skid-resistant
- ISI approved
- 5-years warranty on motor & 2-years warranty on product

Marvel

Mixer Grinder

100% copper motor

*Liquidizing jar - 1500 ml, dry/wet jar - 1000 ml, chutney jar - 400 ml

Mixo 750

Mixer Grinder, 100% copper motor

- 3-speed control
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Food grade, shockproof ABS body
- Stainless steel jars* with PC dome & secured lock in Liq. jar
- Rated power 750 W
- Skid-resistant
- Easy cleaning
- ISI approved
- 5-years warranty on motor & 2-years warranty on product

*Liquidizing jar (secured lock) - 1500 ml, dry/wet jar - 1000 ml, chutney jar - 400 ml

Mixo 500

Mixer Grinder, 100% copper motor

- 3-speed control
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Food grade, shockproof ABS body
- Stainless steel jars* with PP lid
- Rated power 500 W
- Skid-resistant
- Easy cleaning
- ISI approved
- 5-years warranty on motor & 2-years warranty on product

*Liquidizing jar - 1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

Ultra Mix

Mixer Grinder, 100% copper motor

- 3-speed control with incher
- 30-minutes rating
- Auto shut-off with overload protector
- Food grade, shockproof ABS body with anti-dust coating
- Stainless steel jars* with PP lid
- Rated power 500 W
- Skid-resistant
- ISI approved
- 5-years warranty on motor & 2-years warranty on product

*Liquidizing jar -1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

Puma 500

Mixer Grinder

- 3-speed control with incher
- Universal motor
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Stainless steel jars* with PP lid
- Skid-resistant
- ISI approved
- Rated power 500 W
- 2-years warranty

*Liquidizing jar -1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

JUICER MIXER GRINDER

- 3-speed control with incher
- 30-minutes rating
- Hybrid motor & auto shut-off
- Food grade, shockproof ABS body
- Transparent liquidizing jar (1.5 litres)
- Stainless steel grinding jar (0.8 litre)
- Rated power 500 W
- Skid-resistant
- ISI approved
- 2-years warranty

Galaxy

JUICER MIXER GRINDER

RICE

COOKER

RCS 1.8 S / 2.8 S

Rice Cooker

- SS cover with steamer
- Non-stick coating pot
- Plastic body with printed design
- Open lid (OL)
- Keep Warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCS 1.8 / 2.8

Rice Cooker

- SS cover without steamer
- Aluminium pot
- Plastic body
- Open lid (OL)
- Keep Warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCS 1.8 G / 2.8 G

Rice Cooker

- Glass cover with steamer
- Non-stick coating pot
- Plastic body with printed design
- Open lid (OL)
- Keep Warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCD 1.8 / 2.8

Rice Cooker

- Plastic cover with steamer
- Non-stick coating pot
- Plastic body with printed design
- Close lid (CL)
- Keep Warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

- SS cover with steamer
- Non-stick coating pot
- SS body
- Open lid (OL)
- Keep Warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCS 1.8 SS / 2.8 SS

Rice Cooker

INDUCTION COOKER

CM-03

Induction Cooker

- High temperature resistance
- Overheat protection
- Quick heating
- Eco-friendly
- Automatic voltage regulator
- Digital timer control
- Auto shut-off
- Energy saving
- Variable power control
- Touch button control
- Rated power 2000 W
- 1-year warranty

CM-10

Induction Cooker

- High temperature resistance
- Overheat protection
- Automatic voltage regulator
- LED digital display
- Variable power control
- Quick heating
- Energy saving
- Automatic safety shut-off
- Push button control
- Rated power 1400 W
- 1-year warranty

CM-11

Induction Cooker

- High temperature resistance
- Overheat protection
- Automatic voltage regulator
- LED digital display
- Variable power control
- Quick heating
- Energy saving
- Automatic safety shut-off
- Push button control
- Child Lock
- 7 Preset Menu
- Rated power 1600 W
- 1-year warranty

CM-12

Induction Cooker

- High temperature resistance
- Overheat protection
- Quick heating
- Eco-friendly
- Full polished glass top
- Automatic voltage regulator
- Digital timer control
- Auto shut-off
- Energy saving
- Variable power control
- Touch button control
- Rated power 2000 W
- 1-year warranty

**ELECTRIC
KETTLE**

Galaxy 1.0 P

Electric Kettle

- External water level indicator
- Overheat & dry boil protection
- Auto shut-off function
- Auto-lid opening structure
- Cord storage facility
- Wide mouth for easy cleaning
- Skid-resistant
- Led illuminated
- Visible power cord 70-75cm
- Rated power – 1000 W
- Available colour - Black & White
- Capacity - 1 ltr
- 1-year warranty

Galaxy 1.2 P

Electric Kettle

- 360 degree cordless operation
- Auto shut-off function
- SS & Plastic double layer body
- Neon indicator for heater ON
- Pull open lid
- Ergonomic design with comfortable handle
- Rated power - 1350 W
- Available colour - Black & Red-Black
- Capacity – 1.2 ltrs
- 1-year warranty

Galaxy 1.5 SS

Electric Kettle

- 360 degree cordless operation
- Pull open lid
- Auto shut-off function
- Neon indicator for heater ON
- Stainless steel body
- Stylish design
- Rated power -1500 W
- Capacity – 1.5 ltrs
- 1-year warranty

Galaxy 1.8 SS

Electric Kettle

- 360 degree cordless operation
- Pull open lid
- Auto shut-off function
- Neon indicator for heater ON
- Stainless steel body
- Stylish design
- Rated power -1500 W
- Capacity – 1.8 ltrs
- 1-year warranty

Galaxy 1.2 SS

Electric Kettle

- 360 degree cordless operation
- Pull open lid
- Auto shut-off function
- Neon indicator for heater ON
- Stainless steel body
- Stylish design
- Round three pin plug
- Rated power -1350 W
- Capacity – 1.2 ltrs
- 1-year warranty

Galaxy 0.5 SS

Electric Kettle

- Auto shut-off function
- Neon indicator for heater ON
- Stainless steel body
- Wide open lid for easy cleaning
- Stylish design
- Round three pin plug
- Concealed element
- Rated power -1000 W
- Capacity – 0.5 ltr
- 1-year warranty

ELECTRIC
IRON

S1200P1

Steam Iron

- Variable temperature control
- Water spray & steam burst
- Steam output 9-10 gms per minute
- Self clean
- Pilot lamp
- Adjustable thermostat control
- 360-degree swivel cord
- PTFE coated non-stick sole plate
- ISI approved
- Rated power 1200 W
- 2-years warranty

750P3

Dry Iron

- Ergonomic design with bi-colour combo
- Non-stick American Heritage sole plate
- Instant heating with powerful performance
- Bi-metallic thermostat for automatic temperature control
- Reliable snap-action thermostat
- Safety fuse
- Multiple temperature levels for different fabrics
- Lightweight cool touch body with 360° swivel cord
- ISI approved
- Rated power 750 W
- 2-years warranty

1000P4

Dry Iron

- Ergonomic design with bi-colour combo
- Non-stick American Heritage sole plate (Golden Colour)
- Instant heating with powerful performance
- Bi-metallic thermostat for automatic temperature control
- Reliable snap-action thermostat
- Safety fuse
- Multiple temperature levels for different fabrics
- Lightweight cool touch body with 360° swivel cord
- ISI approved
- Rated power 1000 W
- 2-years warranty

1000P5

Dry Iron

- Ergonomic design with bi-colour combo
- Non-stick American Heritage sole plate (Golden Colour)
- Instant heating with powerful performance
- Bi-metallic thermostat for automatic temperature control
- Reliable snap-action thermostat
- Safety fuse
- Multiple temperature levels for different fabrics
- Lightweight cool touch body with 360° swivel cord
- ISI approved
- Rated power 1000 W
- 2-years warranty

1000M6

Dry Iron

- Heavy duty
- Non-stick American Heritage sole plate
- Bi-metallic thermostat for automatic temperature control
- Cool touch handle with comfortable grip
- Super clean surface finish with pleasant aesthetics & tangle free cord
- Thermostat with safety fuse
- Available in lightweight metal body
- ISI approved
- Rated power 1000 W
- 2-years warranty

1000MH3

Dry Iron

- Heavy duty
- Non-stick American Heritage sole plate (Golden Colour)
- Bi-metallic thermostat for automatic temperature control
- Cool touch handle with comfortable grip
- Super clean surface finish with pleasant aesthetics & tangle free cord
- Thermostat with safety fuse
- Available heavyweight metal body
- ISI approved
- Rated power 1000 W
- 2-years warranty

ROOM HEATER

Hotbox

Quartz Heater

- High-efficient quartz tube heating element
- Slim & sleek design
- Cool touch body
- Dual heating power setting - 400 W / 800 W
- Tip-over switch for safety
- ISI approved
- Rated power 400 W / 800 W
- 1-year warranty

Hotwave

Quartz Heater

- High-efficient quartz tube heating element
- Easy carry handle
- Slim & sleek design
- Cool touch body
- Dual heating power setting - 400 W / 800 W
- Tip-over switch for safety
- ISI approved
- Rated power 400 W / 800 W
- 1-year warranty

Spyder

Halogen Heater

- Very elegant look with wide base
- Cool touch body
- 3 halogen heating element
- 3 heat setting - 400 W / 800 W / 1200 W
- Long-lasting uniform heating
- Heat-resistant plastic housing
- Wide angle oscillation
- Tip-over switch for safety
- ISI approved
- Safety mesh guard
- Wider base for better stability
- Rated power 400 W / 800 W / 1200 W
- 1-year warranty

Comfort

Halogen Heater

- Very elegant look with wide base
- Cool touch body
- 3 halogen heating element
- 3 heat setting - 400 W / 800 W / 1200 W
- Long-lasting uniform heating
- Heat-resistant plastic housing
- Wide angle oscillation
- Tip-over switch for safety
- ISI approved
- Safety mesh guard
- Wider base for better stability
- Rated power 400 W / 800 W / 1200 W
- 1-year warranty

FAN HEATER & HEAT CONVECTOR

Vistron

Heat Convactor

- Modern and sleek design
- Cool touch handle for easy movement
- Twin heating position for better heating – Low (1000 W), High (2000 W)
- Automatic thermal cutout
- Night lamp indicator
- Adjustable height
- ISI approved
- Rated power 1000 W / 2000 W
- 1-year warranty

Lava

Fan Heater

- Safety thermal cut-out
- Two heat position for better heating
- Thermostat heat control
- Cool airflow for summer use
- Pilot light
- Portable design
- Child-proof grill
- Cool touch body
- Heat-resistant shockproof engineering plastic body
- ISI approved
- Rated power 1000 W / 2000 W
- 1-year warranty

Extension Reel

- Master switch with LED indicator
- 360-degree smooth rotation
- Universal connector port
- 4 meters long, high quality cable for extended reach
- Rated power 1500 VA (max)

Surge Protector

- Voltage fluctuation protector
- Universal connector port
- Manages load up to 1.5 kW
- 1.5 m cord length
- High heat-resistant body
- Rated power 1500 VA (max)
