

Instahot

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- Available in 1.2 kg/1.4 kg PNG & LPG variant
- ISI approved
- 2-years warranty

Instahot Alpha

- Advanced combustion technology for best thermal efficiency
- Burner setting facility to save energy
- Heat exchanger made of extra thick copper
- Auto ignition
- Adjustable knob for regulating water and gas intensity
- Oxygen depletion sensor
- 20 minute timer
- Inlet water flow sensor
- Suitable for a minimum water pressure head of 0.1 bar / 3 feet
- Suitable for a maximum water pressure head of 7.5 bar / 270 feet
- ISI approved
- Capacity up to 5.5 ltrs
- 2-years warranty

Instahot Beta

- Advanced combustion technology for best thermal efficiency
- Burner setting facility to save energy
- Heat exchanger made of extra thick copper
- Auto ignition
- Adjustable knob for regulating water and gas intensity
- Oxygen depletion sensor
- 20 minute timer
- Inlet water flow sensor
- Suitable for a minimum water pressure head of 0.1 bar / 3 feet
- Suitable for a maximum water pressure head of 7.5 bar / 270 feet
- ISI approved
- Capacity up to 6 ltrs
- 2-years warranty

Instahot Gamma

- Stylish & contemporary design with toughened printed glass on top
- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- Capacity up to 6 ltrs
- 2-years warranty

WATER HEATERS

DIGITAL STORAGE WATER HEATER

Gush+

Available in 6, 10, 15 & 25 litres

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Digital temperature display
- Whirlflow technology
- High-density PUF insulation
- Pentashield safety with MFV
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

**Terms & conditions apply.

Legacy+

Available in 6, 10, 15 & 25 litres

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Whirlflow technology
- High-density PUF insulation
- Temperature control knob
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star for horizontal type 15 & 25 litres)
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product
- 15 & 25 litres available in horizontal and vertical variants

**Terms & conditions apply.

INSTANT WATER HEATER

Refresha Pro

Available in 3 litres

- Ultra thick superior 304 grade SS tank
- ISI approved element & thermostat
- Pentashield safety
- Neon indicator
- Energy-efficient
- High-grade copper pipe with nickel coated heating element
- Pressure release valve & anti-siphon hole
- Rated power 3000 W
- ISI approved
- ISI approved moulded 3-pin plug & cord
- 5-years warranty

STORAGE WATER HEATER

Gush

Available in 6, 10, 15 & 25 litres

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Whirlflow technology
- High-density PUF insulation
- Temperature control knob
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

**Terms & conditions apply.

Zodiac

Available in 10, 15 & 25 litres

- Heavy guage stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod, protects tank from rust and corrosion
- High-density PUF insulation
- Shockproof and corrosion-proof ABS body
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 5-years warranty on inner tank, 2-years on product

GAS WATER HEATER

Instahot – 6L

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- Capacity up to 6 ltrs
- 2-years warranty

Freshet

Available in 6, 10, 15 & 25 litres

- Titanium enamel & blue sapphire coated **Glass Line** tank for corrosion-free, long-lasting performance
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Analog temperature display
- Whirlflow technology
- High-density PUF insulation
- Shockproof and corrosion-proof ABS body
- High-efficiency spiral type heating element with passive electronic anti-corrosion device
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-years warranty on inner tank, 2-years on product

**Terms & conditions apply.

Aquahot

Available in 6, 10, 15, 25, 35 & 50 litres

- Heavy guage stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod
- High-density PUF insulation
- Pentashield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star rated for 35 & 50 litres)
- Rated power 2000 W
- 5-years warranty on inner tank, 2-years on product

Instahot Pro

- Automatic ignition
- 20 minute inbuilt timer
- Flame failure protection
- Protection against dry burn
- Dry heat protection
- Double thermal overheating protection
- Double solenoid gas valve
- PRV (Pressure release valve) – upto 8 bar pressure
- ISI assurance of quality
- Capacity up to 5.5 ltrs
- 2-years warranty
