

AquaHot

Available in 6, 10, 15, 25, 35 & 50 litres

- Heavy gauge stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod
- High density PUF insulation
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star rated for 35 & 50 litres)
- Rated power 2000 W
- 5-year warranty on inner tank, 2-year on product

INSTANT WATER HEATER

Refresha

Available in 1 & 3 litres

- Ultra thick superior 304 grade SS tank
- ISI approved element & thermostat
- Penta shield safety
- Neon indicator
- Energy efficient
- Hi-grade copper pipe with nickel coated heating element
- Pressure release valve & anti-siphon hole
- Rated power 3000 W
- ISI approved
- ISI approved moulded 3-pin plug & cord
- 2-year warranty

GAS WATER HEATER

InstaHot

Available in 6 litres

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- 2-year warranty

WATER HEATERS

Shower winter with warmth through our wide range of water heaters. Efficient and technologically advanced, Polar Water Heaters are designed to offer comfort without daily hassle. Embrace the joy of innovation through ease!

DIGITAL STORAGE WATER HEATER

Alluvion

Available in 6, 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod, protects tank from rust and corrosion
- Digital temperature display
- Whirl flow technology
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 3-year on heating element and 2-year on product

Gush+

Available in 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (10 litres)
- Digital temperature display
- Whirl flow technology
- High density PUF insulation
- Penta shield safety with MFV
- Copper heating element
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

STORAGE WATER HEATER

Freshet

Available in 6, 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Analog temperature display
- Whirl flow technology
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Spiral type heating element (6 & 10 litres)
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

Hotwave

Available in 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 3-year on heating element and 2-year on product

Gush

Available in 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (10 litres)
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards (*4-star rated for 10 litres)
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

Legacy +

Available in 6, 10, 15, 25 litres

FREE ASSEMBLY KIT, INLET & OUTLET PIPES

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (6 & 10 litres)
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards (*4-star rated for 6 & 10 litres)
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product
- 15 & 25 litres available in horizontal and vertical variants

Zodiac

Available in 10, 15, 25 litres

- Heavy gauge stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod, protects tank from rust and corrosion
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 5-year warranty on inner tank, 2-year on product
