HOME APPLIANCES & HEATERS

Empowering hassle-free chores in every home

Each home has a different set of needs and runs on a specific and personalised routine. Which is why Polar Home Appliances has been joyfully participating in every daily chore to bring sustainability through reliability by managing the many routines of Indian homes.

The constant search for efficient and easy technological innovation has helped Polar rise to national repute. With a promise to sustain households and bring harmony in every home, Polar products - ranging from water heaters, room heaters and immersion rods to irons & kitchen appliances – are designed, keeping ease, relief and customer-friendly innovation in mind.

It is of no wonder then that Polar has been the choicest brand for homemakers - empowering each household to fulfil daily routines - and thus aiming to sort out life every day.

WATER HEATER

Alluvion

Digital Storage Water Heater
Available in 6, 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod, protects tank from rust and corrosion
- Digital temperature display
- Whirl flow technology
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 3-year on heating element and 2-year on product

Gush+

Digital Storage Water Heater

Available in 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (10 litres)
- Digital temperature display
- Whirl flow technology
- High density PUF insulation
- Penta shield safety with MFV
- Copper heating element
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

Hotwave

Storage Water Heater

Available in 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 3-year on heating element and 2-year on product

Freshet

Storage Water Heater

Available in 6, 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Analog temperature display
- Whirl flow technology
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Spiral type heating element (6 & 10 litres)
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

Gush

Storage Water Heater
Available in 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (10 litres)
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards (*4-star rated for 10 litres)
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product

Legacy +

Storage Water Heater
Available in 6, 10, 15, 25 litres

- Blue Sapphire Glass Line coated tank with 1.8 mm thickness
- Designed for 8 bar pressure, suitable for high-rise buildings
- Magnesium anode rod with O-PRO technology
- Spiral type heating element (6 & 10 litres)
- Whirl flow technology
- High density PUF insulation
- Temperature control knob
- Penta shield safety
- ISI approved
- 5-star rated as per BEE standards (*4-star rated for 6 & 10 litres)
- Rated power 2000 W
- 7-year warranty on inner tank, 2-year on product
- 15 & 25 litres available in horizontal and vertical variants

Zodiac

Storage Water Heater
Available in 10, 15, 25 litres

- Heavy guage stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod, protects tank from rust and corrosion
- High density PUF insulation
- Shockproof and corrosion proof ABS body
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards
- Rated power 2000 W
- 5-year warranty on inner tank, 2-year on product

Aquahot

Storage Water Heater
Available in 6, 10, 15, 25, 35 & 50 litres

- Heavy guage stainless steel (SS 304L) tank for longer life
- Designed for 6 bar pressure
- Magnesium anode rod
- High density PUF insulation
- Penta shield safety
- ISI approved
- 4-star rated as per BEE standards (*3-star rated for 35 & 50 litres)
- Rated power 2000 W
- 5-year warranty on inner tank, 2-year on product

Refresha

Instant Water Heater
Available in 1 & 3 litres

- Ultra thick superior 304 grade SS tank
- ISI approved element & thermostat
- Penta shield safety
- Neon indicator
- Energy efficient
- Hi-grade copper pipe with nickel coated heating element
- Pressure release valve & anti-siphon hole
- Rated power 3000 W
- ISI approved
- ISI approved moulded 3-pin plug & cord
- 2-year warranty

Instahot

Gas Water Heater
Available in 6 litres

- Automatic ignition
- 20 minutes inbuilt timer
- Low pressure application
- Flame failure protection
- Protection against dry burn
- Overheat protection
- Dry heat protection
- ISI approved
- 2-year warranty

IMMERSION WATER HEATER

- Heavy duty copper tube filled with magnesium oxide for durability
- Corrosion proof
- Available in two models - Neon indicator lamp model and shockproof - waterproof model
- Rated power 1000 W / 1500 W / 2000 W
- ISI approved
- ISI approved 3-core supply cord with moulded 3 pin plug
- 2-year warranty

Marvel

MIXER GRINDER

100%
copper
motor

- 3-speed control with incher
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Food grade, shockproof ABS body with anti dust coating
- Stainless steel jars*, PC dome with buckle clips for secured locks & handsfree operation
- Rated power 750 W
- Skid resistant
- ISI approved
- 5-year warranty on motor & 2-year warranty on product

*Liquidizing jar - 1500 ml, dry/wet jar - 1000 ml, chutney jar - 400 ml

Mixo 750

- 3-speed control
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Food grade, shock-proof ABS body
- Stainless steel jars* with PC dome & secured lock in Liq. jar (Mixo 750)/PP lid (Mixo 500)

*Mixo 750 - Liquidizing jar (secured lock) - 1500 ml, dry/wet jar - 1000 ml, chutney jar - 400 ml

*Mixo 500 - Liquidizing jar - 1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

Mixo 500

- Rated power 750 W / 500 W
- Skid resistant
- Easy cleaning
- ISI approved
- 5-year warranty on motor & 2-year warranty on product

Ultra Mix

- 3-speed control with incher
- 30-minutes rating
- Auto shut-off with overload protector
- Food grade, shockproof ABS body with anti dust coating
- Stainless steel jars* with PP lid
- Rated power 500 W
- Skid resistant
- ISI approved
- 5-year warranty on motor & 2-year warranty on product

*Liquidizing jar - 1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

Puma 500

- 3-speed control with incher
- Universal motor
- 30-minutes rating
- Auto shut-off with overload protector
- Multipurpose blades
- Stainless steel jars* with PP lid
- Skid resistant
- ISI approved
- Rated power 500 W
- 2-year warranty

*Liquidizing jar -1250 ml, dry/wet jar - 800 ml, chutney jar - 400 ml

JUICER MIXER GRINDER

Galaxy

JMG1 500

JMG2 500

- 3-speed control with incher
- 30-minutes rating
- Hybrid motor & auto shut-off
- Food grade, shockproof ABS body
- Transparent liquidizing jar (1.5 litres)
- Stainless steel grinding jar (0.8 litre)
- Rated power 500 W
- Skid resistant
- ISI approved
- 2-year warranty

- 3-speed control with incher
- 30-minutes rating
- Auto shut-off with overload protector
- Food grade, shockproof ABS body
- Stainless steel jars with PP lid
- Rated power 500 W

- Skid resistant
- Inbuilt online pulp container (JMG2 500)
- Transparent liquidizing jar (1.5 litres)
- Stainless steel grinding jar (0.8 litre)
- ISI approved
- 2-year warranty

RICE COOKER

RCS 1.8 SS / 2.8 SS

- SS cover with steamer
- Non-stick coating pot
- SS body
- Open lid (OL)
- Available in keep warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCS 1.8 S / 2.8 S

- SS cover with steamer (model RCS 1.8 & 2.8 without steamer)
- Non-stick coating pot (aluminium pot for RCS 1.8 & 2.8)
- Plastic body (with & without printed design)
- Open lid (OL)

RCS 1.8 / 2.8

- Available in keep warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

RCS 1.8 G / 2.8 G

- Glass/plastic cover with steamer
- Non-stick coating pot
- Plastic body
- Close lid (CL)/Open lid (OL)

RCD 1.8 / 2.8

- Available in keep warm mode
- Rated power 700 W / 1000 W
- Available in 1.8 & 2.8 litres
- 1-year warranty

INDUCTION COOKER

CM-01

- High temperature resistance
- Overheat protection
- Quick heating
- Eco-friendly
- Automatic voltage regulator
- Digital timer control
- Auto shut-off
- Energy saving
- Variable power control
- Push button control
- Rated power 2000 W
- 1-year warranty

CM-03

- High temperature resistance
- Overheat protection
- Quick heating
- Eco-friendly
- Automatic voltage regulator
- Digital timer control
- Auto shut-off
- Energy saving
- Variable power control
- Touch button control
- Rated power 2000 W
- 1-year warranty

ELECTRIC KETTLE

EK-G1

- 360-degree cordless cable
- Stylish design
- Boil, dry & overheat protection
- Automatic shut-off, once water starts boiling
- Food grade, stainless steel body
- Extra long copper cord
- Neon indicator for heater ON
- Adjustable digital temperature control
- Concealed heating element
- 1-year warranty

EK-G2

EK-G3

EK-G4

EK-G5

- 360-degree cordless cable
- Stylish design
- Boil, dry & overheat protection
- Automatic shut-off, once water starts boiling
- Food grade, stainless steel body
- Extra long copper cord
- Neon indicator for heater ON
- Concealed heating element
- 1-year warranty

Technical Specification 220/240 Volts, 50HZ, 1Ph, AC

Model Name	EK-G1	EK-G2	EK-G3	EK-G4	EK-G5

ELECTRIC IRON

S1200P1

Steam Iron

- Variable temperature control
- Water spray & steam burst
- Steam output 9-10 gms per minute
- Self clean
- Pilot lamp
- Adjustable thermostat control
- 360-degree swivel cord
- PTFE coated non-stick sole plate
- ISI approved
- Rated power 1200 W
- 2-year warranty

750P3

1000P4

1000P5

1000M6

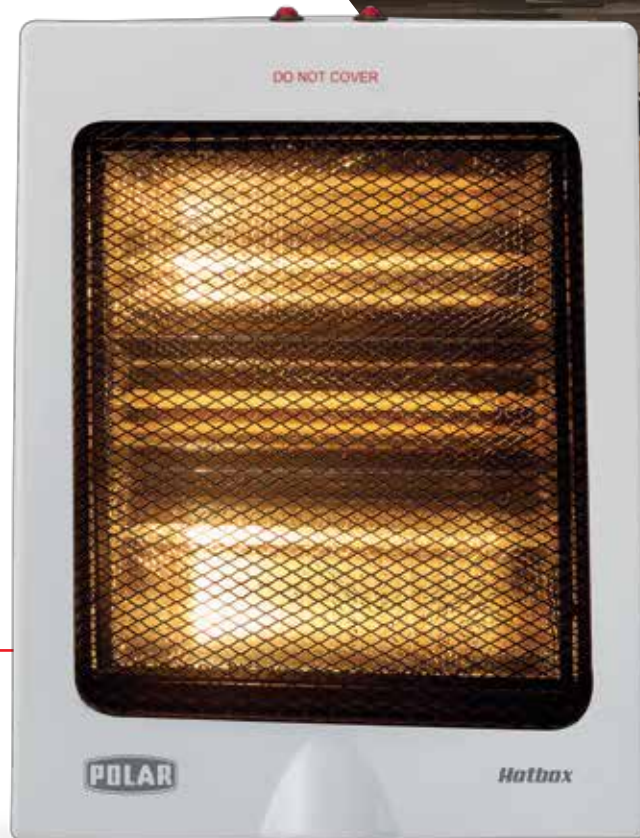

1000MH3

Dry Iron

- Ergonomic design with bi-colour combo
- Non-stick American Heritage sole plate (Golden colour - 1000P4 & 1000P5)
- Instant heating with powerful performance
- Bi-metallic thermostat for automatic temperature control
- Reliable snap-action thermostat
- Safety fuse
- Multiple temperature levels for different fabrics
- Light weight cool touch body with 360° swivel cord
- ISI approved
- Rated power 750 W (750P3) & 1000 W (1000P4, 1000P5)
- 2-year warranty

- Heavy duty
- American Heritage sole plate (Golden Colour - 1000MH3)
- Bi-metallic thermostat for automatic temperature control
- Cool touch handle with comfortable grip
- Super clean surface finish with pleasant aesthetics & tangle free cord
- Thermostat with safety fuse
- Available in lightweight (1000M6) & heavyweight (1000MH3) metal body
- ISI approved
- Rated power 1000 W (1000M6, 1000MH3)
- 2-year warranty

ROOM HEATER

Hotbox

Quartz Heater

- High efficient quartz tube heating element
- Slim & sleek design
- Cool touch body
- Dual heating power setting - 400 W / 800 W
- Tip-over switch for safety
- ISI approved
- Rated power 400 W / 800 W
- 1-year warranty

Spyder

Halogen Heater

- Very elegant look with wide base
- Cool touch body
- 3 halogen heating element
- 3 heat setting - 400 W / 800 W / 1200 W
- Long lasting uniform heating
- Heat resistant plastic housing
- Wide angle oscillation
- Tip-over switch for safety
- ISI approved
- Safety mesh guard
- Wider base for better stability
- Rated power 400 W / 800 W / 1200 W
- 1-year warranty

LD-04

Halogen Heater

- Very elegant look with wide base
- Cool touch body
- 3-halogen heating element
- Piano switch for smooth operation
- 3 heat setting - 400 W / 800 W / 1200 W
- Easy carry handle
- Long lasting uniform heating
- Heat resistant plastic housing
- Wide angle oscillation
- Tip-over switch for safety
- ISI approved
- Safety mesh guard
- Rated power 400 W / 800 W / 1200 W
- 1-year warranty

FAN HEATER & HEAT CONVECTOR

Vistron

Heat Convactor

- Modern and sleek design
- Cool touch handle for easy movement
- Twin heating position for better heating – Low (1000 W), High (2000 W)
- Automatic thermal cutout
- Night lamp indicator
- Adjustable height
- ISI approved
- Rated power 1000 W / 2000 W
- 2-year warranty

Hotstar

Fan Heater

- Heat resistant, shockproof engineering plastic body
- Child proof grill for safety
- Multi-heating position for better heating
- Heat mode for winter, fan mode for summer
- Thermal over heating cutout
- Power indicator lamp
- Rated power 1000 W / 2000 W
- 1-year warranty

EXTENSION REEL & SURGE PROTECTOR

- Master switch with LED indicator
- 360-degree smooth rotation
- Universal connector port
- 4 meters long, high quality cable for extended reach
- Rated power 1500 VA (max)

- Voltage fluctuation protector
- Universal connector port
- Manages load up to 1.5 kW
- 1.5 m cord length
- High heat-resistant body
- Rated power 1500 VA (max)
